

## Data Protection Rights

*Your privacy is important to us.*

If you have concerns about how your data is handled, you have the right to lodge a complaint with the data protection authority in your country. We encourage you to contact us at [support@fanforza.com](mailto:support@fanforza.com) first with any concerns.

However, if you feel that your concerns have not been adequately addressed, the data protection authority is your next point of contact. For a list of national data protection authorities in the EU, please visit the [European Data Protection Board](#).
